The Call is OPEN for the 24th ERSA Summer School
University of Luxembourg
4-13 July 2011

Modelling cities and urban dynamics

The goal of the 24th ERSA Summer School is to provide
PhD-students and young researchers with advanced
training in the field of urban modelling and
particularly urban dynamics.

Including lectures by Jan Brueckner,
Pierre Frankhauser,
Jean-Claude Thill and Jacques Thisse

Call is OPEN on the ERSA website:
www.ersa.org/summer-school/2011-summer-school
